

ABOUT THE ARCHITECT

LUYING GUO AIA, LEED AP BD+C
LICENSED ARCHITECT
PRINCIPAL OF LUYING ARCHITECTURE

Luying is a licensed architect and an accredited professional in LEED (Leadership in Energy & Environmental Design). She is an active member in Young Leadership Group of Urban Land Institute in New York.

Luying graduated from University of Pennsylvania and worked in world renowned architecture design firms Kohn Pedersen Fox and Pei Cobb Freed & Partners. She worked on designing the Asian tallest building Pingan International Financial Centre in Shenzhen, and worked closely with KPF's Principle William Pedersen on Shanghai American Center, who is also the designer of Shanghai World Financial Centre. Luying also worked with the PCF's principle Henry Cobb on 7 Bryant Park in NYC in Pei Cobb Freed & Partners.

She won multiple international design competitions, including Evolo International Skyscraper Competition, Indian Tower competition and 151 E 60th Street Residential Tower Competition.

She published her design in *Future Architecture* and *Evolo* Magazine. She is one of the key members writing architecture school text book *Grasshopper Tutorials*.
